THE PARTY BAR

We have our Party Bar which is available for private hire for groups of up to 30 people. The layout is super flexible for all sorts of parties, both standing and seated.

You can hire the space for £100 on Friday or Saturday evenings from 7pm till 12am. There is no minimum spend with this, just a flat hire fee and the Party Bar is all yours.

You can also hire our private bar and bartender for your party for an additional £100, perfect for keeping your group together all night and no queuing at the bar.

For all other days of the week there is no hire fee, we just ask for a £100 deposit which is refunded on the night.

Your hire fee doubles up as your deposit to secure your booking. Your deposit is refundable up to 4 weeks in advance if you decide to cancel.

THE CLOCK TOWER

The Clock Tower is our main event space with a super-flexible combination of seating and standing for up to 80 guests.

Next to our Urban Distillery & Testing Room, it's a spacious area with a mix of high and low tables, and is right next to our outside terrace.

The space is yours for only £100 hire fee.

Your hire fee doubles up as your deposit to secure your booking. Your deposit is refundable up to 4 weeks in advance if you decide to cancel.

FOOD & DRINKS

All our food is made from scratch daily and we can cater for all styles of events from finger food and sharing plates (good for having over a drink) through to sit down dinners.

We have some great pre-order options on food and drinks.

It is often better value to order food and drinks in advance from our party packages.

Or, if you prefer, just order from our menu on the night.

Our kitchen is open for as long as the bar is, which means you can grab pizza from our coal oven until close.

Allergies? We don't list every ingredient on our menus so please ask your server for all allergen information.

Packages bookable & payable in advance of your party.
