You can hire the space for a deposit of £100, which is refunded after your event, or can be taken off your tab on the evening. There is no minimum spend with this.

Your deposit is refundable up to 4 weeks in advance if you decide to cancel.

THE CLOCK TOWER

The Clock Tower is our main event space with a super-flexible combination of seating and standing for up to 80 guests.

Next to our Urban Distillery & Testing Room, it's a spacious area with a mix of high and low tables, and is right next to our outside terrace.

You can hire the space for a deposit of £100, which is refunded after your event, or can be taken off your tab on the evening. There is no minimum spend with this.

FOOD & DRINKS

All our food is made from scratch daily and we can cater for all styles of events from finger food and sharing plates (good for having over a drink) through to sit down dinners.

We have some great pre-order options on food and drinks.

It is often better value to order food and drinks in advance from our party packages.

Or, if you prefer, just order from our menu on the night.

Our kitchen is open for as long as the bar is, which means you can grab pizza from our coal oven until close.

Allergies? We don't list every ingredient on our menus so please ask your server for all allergen information.

Packages bookable & payable in advance of your party.

The image shows the interior of a restaurant named Teatro Hall. The space is characterized by industrial-style elements, including exposed concrete pillars, metal ductwork on the ceiling, and a large, multi-tiered chandelier made of glass blocks. A bar with a polished metal counter is in the foreground, featuring various bottles and glassware. Behind the bar, a brick wall houses a large, dome-shaped pizza oven. To the right, a sign on a pillar reads "PIZZERIA". The seating area includes round tables with black and white checkered chairs and rectangular tables with black chairs. The overall atmosphere is warm and modern.
