The image shows a restaurant interior with a warm, industrial aesthetic. In the foreground, several tables are set with white tablecloths and yellow candles in brass holders. The background features a large window with a view of the street and a distillery bar with the text "SMALL BATCH DISTILLERY" and "FOUNDED HACKNEY". The lighting is soft and ambient, with large chandeliers and string lights.

FOOD & PARTY PACKAGES

We have some great pre-order options on food and drinks. It is often better value to order food and drinks in advance from our party packages, it's a great way to guarantee a proportion of spending in advance if you are on a minimum spend and your guests get well fed and watered at your party.

Or if you prefer, just order from our menu on the night. Our kitchen is open for as long as the bar is. Which means at the weekend, you can grab pizza from our coal oven until 11pm Friday and Saturday.
