The image shows the interior of a restaurant or bar. In the foreground, there are long wooden tables with dark blue upholstered benches. Several ornate brass candle holders with yellow candles are placed on the tables. In the background, there is a large window with a black frame, through which a city street is visible. To the right of the window, there is a bar area with a sign that reads "SMALL BATCH DISTILLERY" and "FOUNDED 1965". The bar has various glassware and bottles on it. The ceiling is high with exposed pipes and large, tiered chandeliers made of many small lights. The overall atmosphere is modern and industrial.

FOOD & PARTY PACKAGES

We have some great pre-order options on food and drinks. It is often better value to order food and drinks in advance from our party packages, it's a great way to guarantee a proportion of spending in advance if you are on a minimum spend and your guests get well fed and watered at your party.

Or if you prefer, just order from our menu on the night. Our kitchen is open for as long as the bar is. Which means at the weekend, you can grab pizza from our coal oven until 11pm Friday and Saturday.
